

JUNE 5-AUGUST 11, 2017 SUMMER YOUTH ENRICHMENT PROGRAM

Offered by Rocky Ford Recreation

The Summer Youth Enrichment Program will focus on physical activity along with nutrition, arts & crafts, science projects, and community service. The kids will have at least 60 minutes of physical activity per day taught by a certified Physical Education Instructor. They will also learn the importance of healthy choices when it comes to nutrition. Various arts and crafts and science projects will be offered on a weekly basis. The kids will also learn about community service where they will learn to give back to others. The kids will also visit the Rocky Ford Public Library once a week to read and explore. Friday Fun Day will be at the swimming pool. The entire 10 week program is \$150 per child. There is also a weekly fee of \$25 if your child only wants to attend part of the summer program. There is also drop-in fee of \$5 per day if you need a place for your child to go for the day. Program site is 801 Chestnut, Rocky Ford (Ark Valley Youth Club). A calendar of events will be posted online at: RockyFordCO.com and on Facebook at: Rocky Ford Recreation and City of Rocky Ford. Expect release date for calendar in late May.

For more information, please contact Rocky Ford Recreation at 719.469.1096. Registration forms are available at City Hall, RF Public Library, Washington Elementary and Jefferson Intermediate Schools. And online at: RockyFordCO.com.
